No Transport Zone

In accordance with state law, WCPSS does not automatically provide school bus transportation to families that reside within 1.5 miles of the school their student is attending. School Board Policy directs the Transportation Department to evaluate whether to provide transportation within 1.5 miles based on walkability and cost factors. Based on these factors, no transport / walk zone boundaries are established. Some schools do not have these zones. For other schools, the boundaries can change based on infrastructure improvements, such as the addition of a sidewalk or the placement of a crossing guard. If your student resides in the no transport / walk zone, the parent or guardian is responsible for providing transportation to and from school.
